

THE YOUNG ONES

HOW CAN WE HELP WITH AN EMERGENCY BOX?

Funded entirely by donations, our project creates gift boxes for underprivileged children between 0 to 17 years. Items may be new or 'as new'. All are carefully checked for safety and suitability and we will never include any item of a violent, warlike or otherwise harmful nature.

Usually these contain presents for a special occasion, in which case please use GIFT BOX FORM

We can also supply other items where there is an emergency need. Please be as specific as possible when indicating what is needed. We will do our best to fulfil the request but sadly cannot guarantee availability.
