

THE YOUNG ONES

HOW CAN WE HELP WITH A GIFT BOX?

Funded entirely by donations we create gift boxes for underprivileged children between 0 to 17 years. Whilst gifts cannot be large, due to limited funds, we try to create a tailor-made gift to delight each child, so the more information we have, the better. If emergency items are required, please use EMERGENCY BOX FORM.

We do our best to obtain requested items but cannot guarantee availability.

Please give as much notice as possible to be sure of collecting the gift in time for a specific date.

Items may not be new but will have been carefully checked for safety and suitability. We will never include items of a violent, warlike or otherwise harmful nature. **Please tick if only new items are acceptable**
